## Luther Advantage

### What is the Luther Advantage?

The Luther Advantage is a complete and comprehensive package of benefits designed to make buying-and-driving-a vehicle from more than two dozen Luther dealerships a pleasant and convenient experience.

From gasoline and car wash discounts to specials on collision or glass repair and e-mail service reminders, the Luther Advantage provides Luther customers with full range of valuable discounts, advantages and guarantees. And it's tough to beat the peace of mind that comes with a 5 Day-500 Mile Exchange Policy and Free CarFax Reports on pre-owned vehicles...or the Fixed Right Guarantee and On-Time Promise on repairs. Or discounted auto glass and paint services, or... well, you get the point. As much as we like satisfying customers, we like keeping them even more.

A large, stylized FIAT logo. The word "FIAT" is in a bold, red, sans-serif font, set within a white shield-like shape. This shape is enclosed within a circular frame that has a thick white border and a thin black inner circle. The entire logo is positioned in the bottom right corner of the advertisement, partially overlapping a dark, curved road graphic.

# Welcome to the 2016 GLBT Yellow Pages + Wedding Resource Guide

Another year, another *Lavender* Yellow Pages Wedding Resource Guide. Thank you for picking it up as well as for being an integral part of our success.

The publishing industry continues to grow, both in print and electronically, locally and globally. The YellowPages is still the go-to resource for a niche community like ours. Who wants your business? The advertisers in the GLBT YellowPages. You can find it in print on the stands and keep it at home or in your car for whenever you need to know who to call, what to click, or where to go. If you get *Lavender* in your Newsstand on iPhone or iPad, you've got a clickable resource full of links and numbers that can connect you to what you want in a matter of moments. Sitting at your laptop or desktop, all of it is available in an instant.

To respond to a need in a world where some businesses are trying to figure out how refuse to serve our community when we are looking to get married, we give you the Wedding Resource Guide. Use this Wedding Resource Guide to find vendors for your wedding who not only won't refuse to work with you, but have also paid to advertise in our pages so that you know they would love to have your business. For something that can be a stressful event to plan, let these pages relieve you of some of the worry.

*Lavender* has been a resource for the GLBT community since 1995. We know that you need to continue to find what you need in our pages, on our website, in our apps, and from our advertisers. Look to us this next year to continue to give you relevant content for your lives. We will continue to bring you attractive events and engaging opportunities. Use our resources to get yourselves connected to both what you want and what you need. We are here for this community, whether electronically, in person, or on stands.
